Star Shots: David Beckham, Gigi Hadid & More Celebs

Meet F2M Transgender Patient "Nick" and Double Board-Certified Plastic Surgeon, **Dr. Babak Dadvand**, the doctor who helped him to become his true self by performing a Female to Male (TOP only) transformative surgery. Nick says, "My surgery has made me feel much more confident in my own skin and has allowed me to be more happy. I no longer feel the compulsion to hide myself. I am glad I chose Dr. Dadvand for my life altering surgery. I knew as a young child that I was not meant to be my given sex."
